Norme de mise en œuvre : NF DTU 58.2

■ ■ Les tolérances d'usage dans la production et le négoce, tant sur la qualité, la couleur et la quantité, ne peuvent entrainer quelque réclamation que ce soit. Le fabricant se réserve le droit de modifier les coloris et largeur de laize sans préavis. Des petites marques peuvent apparaître sur les toiles laquées résultant des manipulations au cours de la fabrication. Normal tolerances in production, bulk supply, colour and quantity cannot be the subject of any complaint. The manufacturer reserves the right to modify the colour and width of the web without prior notice. Small marks may appear on the lacquered sheets caused by handling during manufacturing. Die in der Produktion und im Handel üblichen Toleranzen hinsichtlich der Qualität, Farbe und Menge berechtigen in keiner Weise zu Reklamationen. Der Hersteller behält sich das Recht vor, jederzeit unangekündigte Veränderungen bei den Farben und Materialbreiten vornehmen zu können. Bei unseren lackierten Produkten kann es aufgrund des Herstellungsprozesses zu kleinen farblichen Unregelmäßigkeiten kommen. De gebruikstoleranties in de productie en handel kunnen zowel, wat de kwaliteit, kleur als hoeveelheid betreft, geen aanleiding zijn voor eender welke klacht. De fabrikant behoudt zich het recht voor om de kleuren en bandbreedtes zonder voorafgaande kennisgeving te wijzigen. De gelakte doeken kunnen kleine markeringen vertonen omwille van de handelingen tijdens de fabricage.
